

Specifications	Features	Photo	Package photo
<p>Type of power supply element: Alkaline Dimension type: 6LR61 Output voltage: 9 V Package type: Blister Amount in retail package: 1 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.6 x 5.0 x 2.6 cm Net weight: 0.04 kg Individual package size: 1.9 x 11.5 x 8.0 cm Individual package weight: 0.05 kg Nominal capacity: 560 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: AAA (LR03) Output voltage: 1.5 V Package type: Blister Amount in retail package: 4 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.0 x 4.5 x 1.0 cm Net weight: 0.01 kg Individual package size: 1.0 x 11.5 x 8.0 cm Individual package weight: 0.05 kg Nominal capacity: 1200 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: AAA (LR03) Output voltage: 1.5 V Package type: Blister Amount in retail package: 4 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.0 x 4.5 x 1.0 cm Net weight: 0.01 kg Individual package size: 1.0 x 4.5 x 4.0 cm Individual package weight: 0.04 kg Nominal capacity: 1200 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: C (LR14) Output voltage: 1.5 V Package type: Blister Amount in retail package: 2 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 2.5 x 5.0 x 2.5 cm Net weight: 0.08 kg Individual package size: 2.5 x 11.5 x 8.0 cm Individual package weight: 0.15 kg Nominal capacity: 8000 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: AA (LR6) Output voltage: 1.5 V Package type: Blister Amount in retail package: 4 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.5 x 5.0 x 1.5 cm Net weight: 0.02 kg Individual package size: 1.5 x 11.5 x 8.0 cm Individual package weight: 0.1 kg Nominal capacity: 2600 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: AA (LR6) Output voltage: 1.5 V Package type: film Amount in retail package: 4 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.5 x 5.0 x 1.5 cm Net weight: 0.02 kg Individual package size: 1.5 x 5.0 x 5.5 cm Individual package weight: 0.09 kg Nominal capacity: 2600 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		
<p>Type of power supply element: Alkaline Dimension type: AAA (LR03) Output voltage: 1.5 V Package type: Blister Amount in retail package: 4 pcs ROHS / CE: Yes Warranty period: N/A Product size (without package): 1.0 x 4.5 x 1.0 cm Net weight: 0.01 kg Individual package size: 1.0 x 11.5 x 8.0 cm Individual package weight: 0.05 kg Nominal capacity: 1200 mA-h Shelf life: 5 years</p>	<p>Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others Long shelf life - Can be stored for a long time before use without any damage to its qualities Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially</p>		

Type of power supply element: Alkaline
 Dimension type: D (LR20)
 Output voltage: 1.5 V
 Package type: Blister
 Amount in retail package: 2 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 3.5 x 6.0 x 3.5 cm
 Net weight: 0.15 kg
 Individual package size: 3.5 x 11.0 x 8.0 cm
 Individual package weight: 0.3 kg
 Nominal capacity: 12000 mA-h
 Shelf life: 5 years

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others
 Long shelf life - Can be stored for a long time before use without any damage to its qualities
 Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially

Type of power supply element: Alkaline
 Dimension type: AA (LR6)
 Output voltage: 1.5 V
 Package type: Blister
 Amount in retail package: 2 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 1.5 x 5.0 x 1.5 cm
 Net weight: 0.02 kg
 Individual package size: 1.5 x 11.5 x 8.0 cm
 Individual package weight: 0.1 kg
 Nominal capacity: 2600 mA-h
 Shelf life: 5 years

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others
 Long shelf life - Can be stored for a long time before use without any damage to its qualities
 Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially

Type of power supply element: Lithium
 Dimension type: CR2032
 Output voltage: 3 V
 Package type: Blister
 Amount in retail package: 5 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 2.0 x 0.3 x 2.0 cm
 Net weight: 0.03 kg
 Individual package size: 0.5 x 18.6 x 6.3 cm
 Individual package weight: 0.02 kg
 Nominal capacity: 210 mA-h

Long shelf life - Can be stored for a long time before use without any damage to its qualities
 Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others
 Use: clock, fm tuner, remote control units, players, dictophones, electric razors, cameras, flashlights, etc
 Long operation period - Long-lasting power supply elements prolong the operation time of the wireless device substantially

Type of power supply element: Carbon Zink
 Dimension type: AAA (R03)
 Output voltage: 1.5 V
 Package type: Blister
 Amount in retail package: 4 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 1.0 x 4.5 x 1.0 cm
 Net weight: 0.01 kg
 Individual package size: 1.0 x 11.5 x 8.0 cm
 Individual package weight: 0.05 kg
 Nominal capacity: 450 mA-h

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others

Type of power supply element: Carbon Zink
 Dimension type: AAA (R03)
 Output voltage: 1.5 V
 Package type: film
 Amount in retail package: 4 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 1.0 x 4.5 x 1.0 cm
 Net weight: 0.01 kg
 Individual package size: 1.0 x 4.5 x 4.0 cm
 Individual package weight: 0.04 kg
 Nominal capacity: 450 mA-h

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others

Type of power supply element: Carbon Zink
 Dimension type: AA (LR6)
 Output voltage: 1.5 V
 Package type: Blister
 Amount in retail package: 4 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 1.5 x 5.0 x 1.5 cm
 Net weight: 0.02 kg
 Individual package size: 1.5 x 11.5 x 8.0 cm
 Individual package weight: 0.1 kg
 Nominal capacity: 820 mA-h

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others

Type of power supply element: Carbon Zink
 Dimension type: AA (R6)
 Output voltage: 1.5 V
 Package type: film
 Amount in retail package: 4 pcs
 ROHS / CE: Yes
 Warranty period: N/A
 Product size (without package): 1.0 x 4.5 x 1.0 cm
 Net weight: 0.01 kg
 Individual package size: 1.0 x 11.5 x 8.0 cm
 Individual package weight: 0.05 kg
 Nominal capacity: 820 mA-h

Suitable for home appliances - Excellent for devices with standard energy consumption, such as clocks, radio, remote control unit, player, dictophone, scales, mice, flashlights and others

Connectors: 2 x 3.5 mm jack, 4-pin 3.5 mm jack
 Cable length: 0.15 m
 Individual package weight: 0.04 kg
 Individual package size: 2.8 x 19.0 x 7.2 cm
 Net weight: 0.01 kg
 Product size (without package): 0.5 x 20.0 x 0.5 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Headset adapter - Headset Jack is a special adapter that allows to connect headsets with two-jacks (for earphones and mic) to new models of laptops and smartphones with one combined 4-pin jack

Connectors: USB OTG, Micro-USB OTG
 Cable length: 0.08 m
 Individual package weight: 0.01 kg
 Individual package size: 7.0 x 0.5 x 10.0 cm
 Net weight: 0.01 kg
 Product size (without package): 0.5 x 0.5 x 10.0 cm
 Warranty period: 6 months
 ROHS / CE: Yes

High quality of connectors
 Cable-adapter - Adapter cable MicroUSB (M) / USB (F)
 Cable/adapter for connection different devices via USB
 Allows to connect external memory, USB Flash drives, card readers, mice, keyboards and other accessories to devices with Micro-USB slot
 Only for devices with Micro-USB connector and supporting OTG technology

Interface: 3.5 mm mini-jack
 Connectors: 2 x 3.5 mm jack
 Cable length: 1,2 m
 Color: blue
 Individual package weight: 0.02 kg
 Individual package size: 0.7 x 15.9 x 11.9 cm
 Net weight: 0.02 kg
 Product size (without package): 127.7 x 0.7 x 0.7 cm
 Warranty period: N/A
 ROHS / CE: Yes

Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High quality of connectors - Gold-plated surface ensures better connection, smaller resistance and smaller oxidability

Interface: 3.5 mm mini-jack
 Connectors: 2 x 3.5 mm jack
 Cable length: 1,2 m
 Color: grey
 Individual package weight: 0.02 kg
 Individual package size: 0.7 x 15.9 x 11.9 cm
 Net weight: 0.02 kg
 Product size (without package): 127.7 x 0.7 x 0.7 cm
 Warranty period: N/A
 ROHS / CE: Yes

Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High quality of connectors - Gold-plated surface ensures better connection, smaller resistance and smaller oxidability

Interface: 3.5 mm mini-jack
 Connectors: 2 x 3.5 mm jack
 Cable length: 1,2 m
 Color: white
 Individual package weight: 0.02 kg
 Individual package size: 0.7 x 15.9 x 11.9 cm
 Net weight: 0.02 kg
 Product size (without package): 127.7 x 0.7 x 0.7 cm
 Warranty period: N/A
 ROHS / CE: Yes

Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High quality of connectors - Gold-plated surface ensures better connection, smaller resistance and smaller oxidability

Interface: 3.5 mm mini-jack
 Connectors: 2 x 3.5 mm jack
 Cable length: 1,5 m
 Individual package weight: 0.05 kg
 Individual package size: 8.0 x 1.0 x 8.0 cm
 Net weight: 0.05 kg
 Product size (without package): 0.5 x 1.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High quality of connectors

Interface: 3.5 mm mini-jack
 Connectors: 2 x 3.5 mm jack
 Cable length: 1,5 m
 Individual package weight: 0.05 kg
 Individual package size: 9.0 x 1.0 x 9.0 cm
 Net weight: 0.05 kg
 Product size (without package): 0.5 x 150.0 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High quality of connectors

Interface: HDMI 1.4
 Connectors: HDMI M — HDMI M
 Cable length: 1 m
 Individual package weight: 0.08 kg
 Individual package size: 11.0 x 1.0 x 11.0 cm
 Net weight: 0.08 kg
 Product size (without package): 0.5 x 100.0 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Interface: HDMI
 Connectors: HDMI M — HDMI M
 Cable length: 1 m
 Individual package weight: 0.17 kg
 Individual package size: 3.0 x 22.0 x 15.0 cm
 Net weight: 0.13 kg
 Product size (without package): 1.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection
 Ferrite cores
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Interface: HDMI 1.4
 Connectors: HDMI M — HDMI M
 Cable length: 1.5 m
 Individual package weight: 0.11 kg
 Individual package size: 16.0 x 0.5 x 16.0 cm
 Net weight: 0.11 kg
 Product size (without package): 0.5 x 150.0 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Interface: HDMI 1.4
 Connectors: HDMI M — HDMI M
 Cable length: 2 m
 Individual package weight: 0.14 kg
 Individual package size: 16.0 x 1.5 x 16.0 cm
 Net weight: 0.14 kg
 Product size (without package): 0.5 x 200.0 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Interface: HDMI 1.4
 Connectors: HDMI M — HDMI M
 Cable length: 3 m
 Individual package weight: 0.19 kg
 Individual package size: 17.0 x 1.5 x 17.0 cm
 Net weight: 0.19 kg
 Product size (without package): 300.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Supports Fast Ethernet-connection
 Excellent image quality
 Supports 3D images

Interface: HDMI
 Connectors: HDMI M — HDMI M
 Cable length: 3 m
 Individual package weight: 0.33 kg
 Individual package size: 28.0 x 3.5 x 22.0 cm
 Net weight: 0.26 kg
 Product size (without package): 300.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Excellent image quality
 Supports Fast Ethernet-connection
 Supports 3D images

Interface: HDMI 1.4
 Connectors: HDMI M — HDMI M
 Cable length: 5 m
 Individual package weight: 0.03 kg
 Individual package size: 18.0 x 3.0 x 23.5 cm
 Net weight: 0.03 kg
 Product size (without package): 2.0 x 500.0 x 1.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, Tvs and projectors
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Interface: HDMI
 Connectors: HDMI M — HDMI M
 Cable length: 5 m
 Individual package weight: 0.45 kg
 Individual package size: 28.0 x 4.0 x 22.0 cm
 Net weight: 0.38 kg
 Product size (without package): 500.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, TVs and projectors
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Double shielded - Double shielding provides you with good protection from RFI/EMI noise
 Supports Fast Ethernet-connection

Interface: HDMI
 Connectors: HDMI M — HDMI M
 Cable length: 10 m
 Individual package weight: 0.83 kg
 Individual package size: 28.0 x 6.0 x 21.5 cm
 Net weight: 0.75 kg
 Product size (without package): 1000.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

 Supports 3D images

Interface: HDMI 2.0
 Connectors: HDMI M — HDMI M
 Cable length: 15 m
 Color: black
 Individual package weight: 0.89 kg
 Individual package size: 5.0 x 29.7 x 24.7 cm
 Warranty period: N/A
 ROHS / CE: Yes

HDMI cable for connection of portable multimedia devices - It allows uncompressed digital video signal transmission and multichannel high quality digital audio signal transmission via one cable
 HDMI is the universal interface for multimedia equipment - HDMI is an often used connector for video cards, displays, TVs and projectors
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Supports 3D images

Connectors: 3.5 mm jack, 2 x 3.5 mm jack
 Cable length: 0.12 m
 Color: black
 Individual package weight: 0.04 kg
 Individual package size: 2.8 x 19.0 x 7.2 cm
 Net weight: 0.01 kg
 Product size (without package): 0.5 x 19.0 x 0.5 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Earphone splitter

Connectors: USB, 2 x 3.5 mm jack
 Cable length: 0.15 m
 Color: black
 Individual package weight: 0.04 kg
 Individual package size: 2.8 x 19.0 x 7.2 cm
 Net weight: 0.02 kg
 Product size (without package): 2.1 x 13.0 x 2.8 cm
 Warranty period: 6 months
 ROHS / CE: Yes

To connect analogue headset to USB slot of PC
 External USB sound card
 For mobile devices, tablets, PCs
 No driver needed for operation
 Suitable for high impedance headphones

Interface: SVGA
 Connectors: HDDB15 plug - HDDB15 plug
 Cable length: 1.8 m
 Individual package weight: 0.16 kg
 Individual package size: 16.0 x 1.5 x 16.0 cm
 Net weight: 0.16 kg
 Product size (without package): 180.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

High resolution - All conductors are used, so high picture resolution and compatibility with all devices are ensured
 Excellent image quality
 High quality of connectors

Cable length: 1.0 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - Type C
 Individual package weight: 0.06 kg
 Individual package size: 3.0 x 19.0 x 11.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripherals to PC
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 1.8 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (AF)
 Compatibility: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Individual package weight: 0.07 kg
 Individual package size: 14.0 x 1.0 x 14.0 cm
 Net weight: 0.07 kg
 Product size (without package): 180.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable is suitable for connection of peripherals (such as mice, digital cameras, card readers or other devices)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 1.8 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (AF)
 Compatibility: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Individual package weight: 0.1 kg
 Individual package size: 18.0 x 2.5 x 10.0 cm
 Net weight: 0.08 kg
 Product size (without package): 180.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable is suitable for connection of peripherals (such as mice, digital cameras, card readers or other devices)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed
 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Double shielded - Double shielding, 2 ferrite cores and internal shielding of connectors provide you with full protection from RF/EMI noise

Cable length: 3 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (AF)
 Individual package weight: 0.11 kg
 Individual package size: 16.0 x 2.0 x 14.0 cm
 Net weight: 0.11 kg
 Product size (without package): 15.0 x 2.0 x 13.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable is suitable for connection of peripherals (such as mice, digital cameras, card readers or other devices)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 5 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (AF)
 Individual package weight: 0.11 kg
 Individual package size: 15.0 x 1.5 x 14.0 cm
 Net weight: 0.1 kg
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable is suitable for connection of peripherals (such as mice, digital cameras, card readers or other devices)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 1.8 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (BM)
 Compatibility: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Individual package weight: 0.07 kg
 Individual package size: 16.0 x 1.0 x 16.0 cm
 Net weight: 0.07 kg
 Product size (without package): 0.5 x 180.0 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows connection of peripherals (for example, printers)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 1.8 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (BM)
 Compatibility: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Individual package weight: 0.1 kg
 Individual package size: 2.5 x 18.0 x 10.0 cm
 Net weight: 0.08 kg
 Product size (without package): 180.0 x 0.5 x 0.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows connection of peripherals (for example, printers)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed
 Double shielded - Double shielding, 2 ferrite cores and internal shielding of connectors provide you with full protection from RFI/EMI noise
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection

Cable length: 3.0 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (BM)
 Individual package weight: 0.11 kg
 Individual package size: 19.5 x 1.0 x 14.5 cm
 Net weight: 0.11 kg
 Product size (without package): 1.0 x 300.0 x 1.4 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows connection of peripherals (for example, printers)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 3 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (BM)
 Compatibility: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Individual package weight: 0.19 kg
 Individual package size: 7.0 x 4.0 x 19.0 cm
 Product size (without package): 300.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows connection of peripherals (for example, printers)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed
 Double shielded - Double shielding, 2 ferrite cores and internal shielding of connectors provide you with full protection from RFI/EMI noise
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Gold-plated connectors - Gold plated connectors prolong lifetime and ensure excellent connection

Cable length: 5 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - USB 2.0 (BM)
 Individual package weight: 0.17 kg
 Individual package size: 17.0 x 2.0 x 14.0 cm
 Net weight: 0.17 kg
 Product size (without package): 16.5 x 2.0 x 12.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows connection of peripherals (for example, printers)
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed

Cable length: 1 m
 Maximum current: 2.1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - Apple Lightning (M)
 Color: red
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
 High quality of connectors
 Copper conductor
 Ultra durable and wearproof
 Braided fabric cord coat

Cable length: 1 m
 Maximum current: 2.1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - Apple Lightning (M)
 Color: blue
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
 High quality of connectors
 Copper conductor
 Ultra durable and wearproof
 Braided fabric cord coat

Cable length: 1 m
Maximum current: 2.1 A
Interface: USB 2.0
Connectors: USB 2.0 (AM) - Apple Lightning (M)
Color: black
Individual package weight: 0.02 kg
Individual package size: 0.5 x 13.0 x 8.0 cm
Warranty period: N/A
ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
High quality of connectors
Copper conductor
Ultra durable and wearproof
Braided fabric cord coat

Cable length: 1 m
Maximum current: 2.1 A
Interface: USB 2.0
Color: white
Individual package weight: 0.02 kg
Individual package size: 0.5 x 13.0 x 8.0 cm
Warranty period: N/A
ROHS / CE: Yes

Ultra durable and wearproof
Copper conductor
High data transmission speed - up to 480 Mbps
High quality of connectors

Cable length: 1 m
Maximum current: 1 A
Interface: USB 2.0
Connectors: USB 2.0 (AM) - Apple Lightning (M)
Color: white
Individual package weight: 0.02 kg
Individual package size: 0.5 x 13.0 x 8.0 cm
Warranty period: N/A
ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
High quality of connectors
Copper conductor
Ultra durable and wearproof

Cable length: 1 m
Maximum current: 2.1 A
Interface: USB 2.0
Connectors: USB 2.0 (AM) - Type C
Color: red
Individual package weight: 0.02 kg
Individual package size: 0.5 x 13.0 x 8.0 cm
Warranty period: N/A
ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
High quality of connectors
Copper conductor
Ultra durable and wearproof
Braided fabric cord coat

Cable length: 1 m
Maximum current: 2.1 A
Interface: USB 2.0
Connectors: USB 2.0 (AM) - Type C
Color: blue
Individual package weight: 0.02 kg

ROHS / CE: Yes

High quality of connectors
Copper conductor
Ultra durable and wearproof
Braided fabric cord coat

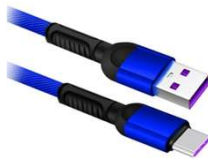

Cable length: 1 m
 Maximum current: 1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - Type C
 Color: white
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
 High quality of connectors
 Copper conductor
 Ultra durable and wearproof

Cable length: 1 m
 Maximum current: 1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Color: white
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

High data transmission speed - up to 480 Mbps
 High quality of connectors
 Copper conductor
 Ultra durable and wearproof

Cable length: 1 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Color: black
 Individual package weight: 0.03 kg
 Individual package size: 2.0 x 16.0 x 8.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

USB-cable for charging
 High quality of connectors

Cable length: 1 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Color: white
 Individual package weight: 0.03 kg
 Individual package size: 2.0 x 16.0 x 8.5 cm
 Warranty period: N/A
 ROHS / CE: Yes

USB-cable for charging
 High quality of connectors

Cable length: 1.0 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Net weight: 0.02 kg
 Product size (without package): 0.5 x 0.5 x 100.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows to connect smartphones, mobile phones, tablets, digital cameras, navigators, car DVRs and other devices to PC
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed
 High quality of connectors

Cable length: 1.0 m
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Individual package weight: 0.02 kg
 Individual package size: 0.5 x 13.0 x 8.0 cm
 Net weight: 0.02 kg
 Product size (without package): 0.5 x 0.5 x 100.0 cm
 Warranty period: N/A
 ROHS / CE: Yes

For connection of peripheral devices to PC - The cable allows to connect smartphones, mobile phones, tablets, digital cameras, navigators, car DVRs and other devices to PC
 High speed USB 2.0 connection - USB cable supports High Speed USB 2.0 data transmission specification with up to 480 Mbps data transmission speed
 High quality of connectors
 Flat cord

Cable length: 1 m
 Maximum current: 2.1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Color: black
 Individual package weight: 0.04 kg
 Individual package size: 6.5 x 18.0 x 2.0 cm
 Net weight: 0.03 kg
 Product size (without package): 0.8 x 100.0 x 1.7 cm
 Warranty period: N/A
 ROHS / CE: Yes

2.1 A maximum current
 Braided fabric cord coat
 High quality of connectors
 High data transmission speed - up to 480 Mbps
 Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
 Ultra durable and wearproof

Cable length: 1 m
 Maximum current: 2.1 A
 Interface: USB 2.0
 Connectors: USB 2.0 (AM) - microUSB 2.0 (BM)
 Color: blue
 Individual package weight: 0.04 kg
 Individual package size: 6.5 x 18.0 x 2.0 cm
 Net weight: 0.03 kg

High data transmission speed - up to 480 Mbps
Copper conductor - Conductors made of high quality oxygen-free pure copper provides superior quality of transferred signals
Ultra durable and wearproof

Type of power supply element: Car charger
 Power supply: from car electrical system
 Output connectors: 2 x USB
 Maximum output current: 3400 mA
 Input power supply: 12-24 V
 Output voltage: 5 V
 Output current: USB 1 - 1000 mA, USB 2 - 2400 mA
 Extra functions: Connection indicator, Simultaneous charging of two devices
 Housing material: incombustible plastic
 Color: black
 Individual package size: 3.0 x 11.0 x 7.5 cm
 Individual package weight: 0.05 kg
 Product size (without package): 2.5 x 7.5 x 2.0 cm
 Net weight: 0.03 kg
 ROHS / CE: Yes
 Warranty period: 6 months

Handy to charge various devices - Output parameters of the adapter are enough to supply power to various portable devices, such as tablets, smartphones, MP3 players, PMPs, PDAs, digital cameras, Car DVRs and radar-detectors)
 Convenient to use in any car - USB adapter is suitable for use in any car with 12V power supply
 2 built-in USB slots - Charge two devices from the car electric system at the same time!
 Suitable for power hungry devices
 Connection indicator
 Protection from current overloads and short circuits

Power supply: from car electrical system
 Output connectors: 3 x USB
 Maximum output current: 6000 mA
 Fast charging: no
 Input power supply: 12-24 V
 Output voltage: 5 V
 Output current: USB 1 - 2000 mA, USB 2 - 2000 mA, USB 3 - 2000 mA
 Extra functions: Connection indicator
 Housing material: plastic
 Color: white
 Individual package size: 5.0 x 15.8 x 9.0 cm
 Individual package weight: 0.05 kg
 Product size (without package): 4.0 x 7.2 x 4.0 cm
 Net weight: 0.04 kg
 ROHS / CE: Yes
 Warranty period: 6 months

Built-in smart system of current distribution - Built-in microchip that detects the type of charging device and corrects the current output to effective and safe degree
 Protection from current overloads and short circuits - Allows to protect the charging device in case of any irregularities in power supply
 Connection indicator - Light power supply indicator

Power supply: from car electrical system
 Output connectors: 1 x USB, Type-C
 Maximum output current: 5400 mA
 Fast charging: no
 Input power supply: 12-24 V
 Output voltage: 5 V
 Output current: TYPE C - 3000 mA, USB 1 - 2400 mA
 Extra functions: Connection indicator, Simultaneous charging of two devices
 Housing material: plastic
 Color: black
 Individual package size: 3.5 x 15.8 x 9.2 cm
 Individual package weight: 0.05 kg
 Product size (without package): 2.0 x 6.5 x 3.0 cm
 Net weight: 0.04 kg
 ROHS / CE: Yes
 Warranty period: 6 months

TYPE C connector - Type C is up to date version of USB connector that is installed on all latest models of smartphones and tablets. Type C allows to charge the devices with up to 3 A current, which is 2 or 3 times faster than conventional Micro-USB chargers
 Built-in smart system of current distribution - Built-in microchip that detects the type of charging device and corrects the current output to effective and safe degree
 Handy to charge various devices - Output parameters of the adapter are enough to supply power to various portable devices, such as tablets, smartphones, MP3 players, PMPs, PDAs, digital cameras, Car DVRs and radar-detectors)
 Protection from current overloads and short circuits - Allows to protect the charging device in case of any irregularities in power supply
 Convenient to use in any car - USB adapter is suitable for use in any car with 12V power supply

Interface: USB 2.0
 Memory card slot: RS-MMC, MS Duo, MS PRO, SDHC, Micro-SD (T-Flash), MS PRO Duo, MS, SD, M2, Micro-SDHC, Mini-SD (adapter is required), MMC, Compact Flash
 Power supply: via USB
 Individual package weight: 0.07 kg
 Individual package size: 5.0 x 17.5 x 10.3 cm
 Net weight: 0.02 kg
 Product size (without package): 4.0 x 1.4 x 7.0 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Supports 85 types of cards
 Compatible with large capacity memory cards
 No drivers needed
 Connection indicator
 High speed data transmission - Data transmission speed form 1.5 Mbps to 480 Mbps depending on memory card class
 Multifunction device to read/write data on memory cards (card reader)
 Allows to view and to edit files on the card itself
 Supports hot-swapping

Interface: USB 2.0
 Memory card slot: RS-MMC, MS Duo, MS PRO, SDHC, Micro-SD (T-Flash), MS PRO Duo, MS, SD, M2, Micro-SDHC, MMC
 Power supply: via USB
 Individual package weight: 0.03 kg
 Individual package size: 13.0 x 2.0 x 10.0 cm
 Net weight: 0.01 kg
 Product size (without package): 2.0 x 1.1 x 6.0 cm
 Warranty period: 3 months
 ROHS / CE: Yes

Compatible with large capacity memory cards
 Easy installation. No driver needed
 High speed data transmission - Data transmission speed form 1.5 Mbps to 480 Mbps depending on memory card class
 Allows to view and to edit files on the card itself
 Supports hot-swapping

Interface: Type-C
 Amount of ports: 2 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: Type-C
 Housing material: metal
 Individual package weight: 0.04 kg
 Individual package size: 2.3 x 14.8 x 9.3 cm
 Net weight: 0.02 kg
 Product size (without package): 1.0 x 3.4 x 4.2 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Connection to TYPE C
 2 USB 2.0 ports
 High data transmission speed - up to 480 Mbps
 Metal body
 PLUG-&-PLAY

Interface: USB 2.0
 Amount of ports: 4 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: via USB
 Housing material: metal
 Cable length: 0,8 m
 Individual package weight: 0.07 kg
 Individual package size: 6.6 x 16.5 x 10.4 cm
 Net weight: 0.04 kg
 Product size (without package): 3.1 x 3.1 x 3.2 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact 4-port mini hub
 For connection of peripheral devices to PC
 No drivers needed
 Easy access to connectors - Does not prevent convenient use of the device
 USB powered
 Connector for power supply unit
 Current protection of USB ports

Interface: USB 3.0
 Amount of ports: 4 x USB 3.0 slots
 Maximum USB port voltage: 0,9 A
 Power supply: via USB, 5V
 Cable length: 0.16 m
 Individual package weight: 0.07 kg
 Individual package size: 2.3 x 18.0 x 12.2 cm
 Net weight: 0.03 kg
 Product size (without package): 1.4 x 26.5 x 2.4 cm
 Warranty period: 6 months
 ROHS / CE: Yes

4 USB 3.0 slots
 High data transmission speed - up to 5 Gbps
 Up to 900 mA current on each port
 PLUG-&-PLAY

Interface: USB 2.0
 Amount of ports: 4 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: via USB
 Housing material: plastic
 Cable length: 0,8 m
 Individual package weight: 0.07 kg
 Individual package size: 5.0 x 16.5 x 10.4 cm
 Net weight: 0.04 kg
 Product size (without package): 4.0 x 1.3 x 8.0 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact 4-port mini hub
 For connection of peripheral devices to PC
 No drivers needed
 LED indicator
 Power supply via USB
 Connector for power supply unit
 Current protection of USB ports

Interface: USB 2.0
 Amount of ports: 4 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: via USB
 Housing material: plastic
 Cable length: 0.18 m
 Individual package weight: 0.04 kg
 Individual package size: 14.0 x 3.0 x 9.0 cm
 Net weight: 0.02 kg
 Product size (without package): 5.0 x 2.0 x 5.0 cm
 Warranty period: 3 months
 ROHS / CE: Yes

Compact 4-port mini hub
 For connection of peripheral devices to PC
 No drivers needed
 Easy access to connectors - Does not prevent convenient use of the device
 Supports hot-swapping
 Current protection of USB ports
 USB powered

Interface: USB 2.0
 Amount of ports: 4 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: via USB
 Housing material: plastic
 Cable length: 0.82 m
 Individual package weight: 0.06 kg
 Individual package size: 14.0 x 5.0 x 9.0 cm
 Net weight: 0.02 kg
 Product size (without package): 2.5 x 1.2 x 10.5 cm
 Warranty period: 3 months
 ROHS / CE: Yes

Compact 4-port mini hub
 No drivers needed
 Easy access to connectors - Does not prevent convenient use of the device
 LED indicator
 USB powered
 Connector for power supply unit
 Current protection of USB ports

Interface: USB 2.0
 Amount of ports: 7 x USB 2.0 slots
 Maximum USB port voltage: 0,5 A
 Power supply: via USB
 Housing material: Plastic
 Cable length: 0.6 m
 Individual package weight: 0.08 kg
 Individual package size: 5.0 x 19.0 x 13.0 cm
 Net weight: 0.04 kg
 Product size (without package): 2.2 x 1.9 x 10.2 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact 7-port mini hub
 Supports hot-swapping
 For connection of peripheral devices to PC
 No drivers needed
 Supports USB storage devices
 Allows to charge batteries via USB, even when the PC is off (power supply unit should be connected)
 Current protection of USB ports

Interface: USB 2.0
 Amount of ports: 7 x USB 2.0 slots
 Maximum USB port voltage: 2 A
 Power supply: Power adapter
 Cable length: 0.93 m
 Individual package weight: 0.2 kg
 Individual package size: 5.9 x 18.0 x 12.0 cm
 Net weight: 0.15 kg
 Product size (without package): 5.5 x 1.0 x 8.8 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact 7-port mini hub
 For connection of peripheral devices to PC
 No drivers needed
 LED indicator
 Supports USB storage devices
 Powered via USB or power supply unit (included)
 Power supply unit: DC 5V, 2A
 Allows to charge batteries via USB, even when the PC is off (power supply unit should be connected)
 Current protection of USB ports

Type of power supply element: Li-polymer
 Battery capacity: 10000 mA-h
 Capacity: 37 W · h
 USB port current protection: yes
 Input connectors: micro-USB, Type-C
 Output connectors: 2 x USB
 Maximum output current: 2100 mA
 Input parameters: 5V / 2A
 Output current: USB 1 — 2100 mA, USB 2 - 2100 mA
 Extra functions: Simultaneous charging of two devices
 Color: blue
 Individual package size: 3.0 x 21.0 x 10.0 cm
 Individual package weight: 0.26 kg
 Product size (without package): 1.5 x 14.5 x 7.0 cm
 Net weight: 0.23 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Housing material: plastic
 Cable length: 0,3 m
 Power cord is included: Micro-USB

Ultra flat design
 Velvety coating is pleasant to the touch
 2 USB ports - 2 USB slots allow to charge 2 devices simultaneously
 2 input connectors - Micro-USB or Type-C connectors can be used for the battery charging
 Battery charge indicator - Shows the battery charging level
 Safe charging
 Protection from current overloads and short circuits
 Protection from overcharging

Type of power supply element: Li-polymer
 Battery capacity: 10000 mA-h
 Capacity: 37 W · h
 Input connectors: MicroUSB
 Output connectors: 2 x USB
 Maximum output current: 2100 mA
 Input parameters: 5V / 2A
 Maximum USB port voltage: 2100 mA
 Output current: USB 1 - 1000 mA, USB 2 - 2100 mA
 Extra functions: Simultaneous charging of two devices
 Maximum power: 10.5 W
 Color: white
 Individual package size: 3.0 x 15.6 x 8.8 cm
 Individual package weight: 0.23 kg
 Product size (without package): 2.5 x 9.5 x 6.0 cm
 Net weight: 0.19 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Housing material: plastic
 Output voltage: 5 V
 Cable length: 0.3 m
 Power cord is included: Micro-USB

Ultra compact size
 Universal charger - Compatible with the most mobile devices
 Battery type: Li-Pol
 Keeps mobile devices on without AC line access
 Handy to charge various devices - Output parameters of the adapter are enough to supply power to various portable devices, such as tablets, smartphones, MP3 players, PMPs, PDAs, digital cameras, Car DVRs and radar-detectors
 Suitable for power hungry devices
 2 built-in USB slots - 2 USB slots allow to charge 2 devices simultaneously
 Protection from current overloads and short circuits
 Charge level indicator - Low battery indicator timely reminds you to charge the device

Type of power supply element: Li-polymer
 Battery capacity: 15000 mA-h
 Capacity: 55,5 W · h
 Input connectors: MicroUSB
 Output connectors: 2 x USB
 Connector: 2 x USB
 Maximum output current: 2400 mA
 Input parameters: 5V / 2A
 Output current: USB 1 — 2100 mA, USB 2 - 2100 mA
 Extra functions: Simultaneous charging of two devices
 Maximum power: 12 W
 Color: grey
 Individual package size: 3.0 x 21.0 x 10.0 cm
 Individual package weight: 0.38 kg
 Product size (without package): 2.0 x 15.0 x 6.5 cm
 Net weight: 0.33 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Housing material: plastic
 Output voltage: 5 V
 Cable length: 0.3 m
 Power cord is included: Micro-USB

2 USB ports - 2 USB slots allow to charge 2 devices simultaneously
 Compact size - Excellent to use in travels
 Stylish design
 Glossy surface is resistant to scratches - The varnish protects the surface from scratches and allows to keep its appearance intact for a long time
 Protection from current overloads and short circuits
 Protection from overcharging
 Suitable for power hungry devices - Specifically created to supply power to the most power hungry USB compatible devices such as smartphones, tablets or other portable gadgets
 LED indicator - Shows the battery charging level

Type of power supply element: Li-polymer
 Battery capacity: 16000 mA-h
 Input connectors: micro-USB, Type-C
 Output connectors: 1 x USB
 Connector: 1 x USB
 Maximum output current: 2100 mA
 Input parameters: 5V / 2A
 Output current: USB 1 — 2100 mA
 Extra functions: Digital display with indication of the charge level
 Color: grey
 Individual package size: 3.0 x 21.0 x 10.0 cm
 Individual package weight: 0.4 kg
 Product size (without package): 2.5 x 14.0 x 7.0 cm
 Net weight: 0.35 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Housing material: plastic
 Cable length: 0.3 m
 Power cord is included: Micro-USB
 Type of power supply element: Li-polymer
 Battery capacity: 8000 mA-h
 Capacity: 29.6 W · h
 Input connectors: MicroUSB
 Output connectors: 1 x USB
 Connector: 1 x USB
 Maximum output current: 2100 mA
 Input parameters: 5V / 1.5A
 Output current: USB 1 — 2100 mA
 Maximum power: 10,5 W
 Color: grey
 Individual package size: 2.8 x 17.7 x 9.2 cm
 Individual package weight: 0.26 kg
 Product size (without package): 1.5 x 11.0 x 7.0 cm
 Net weight: 0.2 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Output voltage: 5 V
 Cable length: 0.2 m
 Power cord is included: yes

Suitable for power hungry devices - Specifically created to supply power to the most power hungry USB compatible devices such as smartphones, tablets or other portable gadgets
 LCD information display - Indicates battery charge level in %
 2 input connectors - Micro-USB or Type-C connectors can be used for the battery charging
 Velvety coating is pleasant to the touch
 Easy access to connectors
 Protection from current overloads and short circuits
 Protection from overcharging
 Compact, convenient in use - Excellent to use in travels

Type of power supply element: Li-polymer
 Battery capacity: 8000 mA-h
 Capacity: 29,6 W · h
 Input connectors: micro-USB, Type-C
 Output connectors: 1 x USB
 Connector: 1 x USB

Type of power supply element: Li-polymer
 Battery capacity: 10000 mAh
 Capacity: 37 Wh
 Input connectors: micro-USB, Type-C
 Output connectors: 1 x USB, Type-C
 Connector: USB x 1, Type C
 Maximum output current: 3000 mA
 Output parameters: Micro-USB: 5V/2A, Type-C: 5V/2.4A, 9V/2A
 Input parameters: USB-QC3.0: 5V/3A, 6.5-9V/2A, 9-12V/1.5A, Type-C: 5V/2.4A, 9V/2A, 12V/1.5A
 Extra functions: Simultaneous charging of two devices, Convenient and rapid charging of USB Type-C powered devices
 Output voltage: 12 V
 Maximum power: 18 W
 Individual package size: 3.0 x 20.6 x 10.0 cm
 Fast charging: USB QC3.0, Type-C (PD)
 Individual package weight: 0.29 kg
 Product size (without package): 1.5 x 13.8 x 6.9 cm
 Net weight: 0.24 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Housing material: plastic + rubber + metal
 Output voltage: 12 V
 Power supply: 2 AAA batteries
 Color: white

Safe and rapid charging for your devices
 2 USB charging ports - 2 USB slots allow to charge 2 devices simultaneously
 Type-C and USB-port for charging devices
 Supports fast charging via Type-C port, Power Delivery (PD) protocol
 QC3.0 fast charging for the devices supporting Qualcomm QuickCharge 2.0/3.0
 2 input connectors - Micro-USB or Type-C connectors can be used for the battery charging
 Type-C port allows to charge external devices and the power bank itself
 Metal body
 Protection from overheat and overloads
 Protection from overcharging
 LED indicator - Shows the battery charging level

Mouse:
 Connection type: wired
 Connection interface: USB
 Amount of buttons: 5 + scroll wheel
 Sensor type: optical
 Resolution: 800/1800/2400/3200 dpi
 IPS speed: 30 IPS
 Max acceleration: 10 g
 Color: black
 Cable length: 1.5 45% m
 System requirements for PC: Windows 2000/XP/Vista/7/8/10

3-in-1 gaming combo: mouse, headset and mouse pad
 4 mouse resolution modes 800/1800/2400/3200 dpi - DPI setting button allows to choose the cursor speed (800/1800/2400/3200 dpi). The chosen DPI level will be indicated with the scroll wheel backlight
 Defender Game Center software
 Macros editor - Built-in macros editor allows to store and edit the list of 52 successive commands with the optional cycling
 Keyboard buttons emulation - The function of any keyboard button can be assigned to any mouse button
 5 customizable buttons
 2 thumb buttons - 2 customizable thumb buttons allow to adjust mouse for its user's needs. Textured surface of the upper button decreases the risk of accidental «blind» hit
 Different-color backlight
 Durable and pleasant to the touch rubberized coating
 Wide rubberized backlit scroll wheel of 8 mm width
 High durability cord
 Gold-plated USB connector - Gold-plated surface ensures better connection, smaller resistance and smaller oxidability
 Ferrite noise filter
 Size 280x230x3 mm
 Smooth surfaces - Accurate cursor positioning and optimal friction factor
 Non-slip rubber base - Reliable fixation on any surface
 3 mm optimal mouse pad thickness - Excellent noise attenuation when putting the mouse down and smoothing table roughness

Gaming headset:
 Type of headphones: Full-size on-ear
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 110 dB
 Sensitivity (microphone): 54 dB
 Frequency response (headphones): 20-20000 Hz
 Frequency response (microphone): 20-16000 Hz
 Connectors: 2 x 3.5 mm jack

Gaming mouse pad:
 Size: 280 x 230x 3 mm
 Material: Heat-treated fabric + natural rubber
 Surface: Speed

Mouse:
 Connection type: wired
 Connection interface: USB
 Amount of buttons: 5 + scroll wheel
 Sensor type: optical
 IPS speed: 30 IPS
 Max acceleration: 16 g
 Color: black
 System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10

Defender Game Center software
 4 mouse resolution modes 800/1800/2400/3200 dpi
 Macros editor
 Durable and pleasant to the touch rubberized coating
 Keyboard buttons emulation
 Different-color backlight
 Stable operation even on high speed - The sensor provides high speed (up to 1 ms) on any surface. It takes 3600 shots of the surface per second (3600 FPS), which allows to move the mouse with acceleration up to 8 G (78 m/s²)
 5 customizable buttons
 High precision sensor
 Wide rubberized backlit scroll wheel of 8 mm width - Widened scroll wheel with special ribbed protector make the mouse control easier. The shape and the place of the scroll wheel are optimal for simultaneous movements of index finger from the left button to the wheel back and forth
 2 thumb buttons
 Enlarged size of modifier keys (Ctrl, Shift), Enter and Backspace keys
 Multifunctional software
 Classic layout
 Rainbow backlight
 Smooth surfaces - Accurate cursor positioning and optimal friction factor
 High durability cord
 Gold-plated USB connector
 Ferrite noise filter

Gaming keyboard:
 Keyboard type: Membrane
 Amount of keys: 104 pcs

Gaming headset:
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Membrane diameter: 40
 Impedance (headphones): 32
 Impedance (microphone): 2.2
 Sensitivity (headphones): 110±3
 Frequency response (headphones): 20-20000 Hz
 Cable length: 1.8+-5% m
 Connectors: 2 x 3.5 mm jack

Gaming mouse pad:
 Size: 280 x 230x 3 mm

Mouse:
 Connection type: wired
 Connection interface: USB
 Amount of buttons: 5 + scroll wheel

Ergonomic shape and sports design - Special ergonomic design will provide maximum comfort even within long gaming sessions
 Soft and durable imitation leather - Thanks to modern and durable cover material you will feel no discomfort in this chair regardless of the room temperature
 Maximum daylong convenience. Excellent for home and office use - Thanks to special construction, tested under various conditions it is suitable for both office and home use
 Stylish gaming design - Bright and stylish design looks good in any interior and display the gaming tenor immediately
 Rocking mechanism - Thanks to this effect the nervous system calms down, the strain on the intervertebral disks is lessened and the whole body can make movements preventing muscle spasms in stiff positions
 Improves blod flow and supports correct posture - This gaming cockpit specifically created and tested by company

Connection type: wired
 Supported platforms: PC
 Interface: USB
 Steering wheel diameter: 225 mm
 Wheel rotation angle: 180 °
 Sensor type: resistive
 Buttons: 10 buttons, two understeering switches
 D-Pad: 8-way
 Vibration feedback: 2 built-in vibration motors
 Pedals: Pedal unit — gas and brake
 Mounting: suction cups, clamps
 Compatibility: Windows 2000/XP/Vista/7/8/10
 Wheel coating: rubberized
 Cable length: 2 m
 Individual package size: 24.3 x 27.5 x 31.5 cm
 Individual package weight: 2.5 kg
 Product size (without package): 22.5 x 25.0 x 29.0 cm
 Net weight: 2.0 kg
 ROHS / CE: Yes
 Warranty period: 12 months

Gaming wheel for PC - An optimal solution for a young family with little kids
 The most inexpensive model - The price for mini-wheel is about 30% lower than for the standard size models
 Compact size - Mini-wheel is optimal for small kids. Besides, big-size wheel is not always easy to place in a small room
 Vibration feedback - Makes collisions more realistic (if the game supports vibration feedback of game controller)
 10 buttons
 Two understeering switches
 8-way D-Pad
 Reliable table top mounting - The wheel is fixed reliably on the tabletop with the clamp
 Rubberized grip
 Convenient asymmetric pedals
 USB powered

Connection type: wired
 Supported platforms: PlayStation® 3, PC
 Interface: USB
 Steering wheel diameter: 245 mm
 Wheel rotation angle: 270 °
 Sensor type: resistive
 Buttons: 12 buttons, two understeering switches
 Gear shifter: yes
 D-Pad: 8-way
 Steering wheel sensitivity adjustment: yes
 Vibration feedback: 2 built-in vibration motors
 Pedals: Pedal unit — gas and brake
 Mounting: suction cups, clamps
 Compatibility: Windows 2000/XP/Vista/7/8/10
 Wheel coating: rubberized
 Individual package size: 25.0 x 33.5 x 34.5 cm
 Individual package weight: 3.05 kg
 Product size (without package): 24.0 x 33.9 x 34.6 cm
 Net weight: 2.4 kg
 ROHS / CE: Yes
 Warranty period: 12 months

Gaming wheel for PC/PS - Gaming wheel with manual sensitivity adjustment
 Vibration feedback - Makes collisions more realistic (if the game supports vibration feedback of game controller)
 12 buttons
 Two understeering switches
 8-way D-Pad
 Gear stick
 Steering sensitivity control
 Reliable table top mounting - The wheel is fixed reliably on the tabletop with the suction cups
 Pedal unit — gas and brake
 Convenient asymmetric pedals
 Rubberized grip
 USB powered

 Box weight: 9.32 kg
 EAN: 4714033641289
 ITF-14: 14714033641286
 Quantity in box: 20 pcs
 Box size: 39.0 x 35.5 x 49.5 cm

Excellent bonus from War Thunder game in each package.
 Gaming series
 Ideal for PC
 Closed earcup design
 Volume control on the cord
 Reliable noise-attenuation
 Convenient earcups
 Soft leather headband and ear pads

Connection type: wired
 Type of headphones: On-ear
 Type of earcups: closed
 Type of mounting: headband
 Gaming headset: yes
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 94 dB
 Sensitivity (microphone): 48 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 20–16000 Hz
 Cable length: 1.8 m
 Connectors: 2 x 3.5 mm jack
 Individual package size: 8.0 x 18.5 x 17.5 cm
 Operation range: 0–10 m
 Box volume: 0.0759
 Material of headphones: plastic
 Individual package weight: 0.29 kg
 Product size (without package): 6.5 x 17.5 x 16.5 cm
 Color: black + green
 Net weight: 0.19 kg
 ROHS / CE: Yes
 Warranty period: 6 months
 Box weight: 6.23 kg
 EAN: 4714033640329
 ITF-14: 14714033640326
 Quantity in box: 20

Gaming series
 Ideal for PC
 Adjustable headband - You can adjust the headband to the most convenient length
 Durable silicone earcups
 Foldable microphone - Microphone design allows to hide it in the earcup
 Volume control
 Excellent bonus from War Thunder game in each package.

LED backlight of headphones
 Big size over-ear headset - Over-ear pads almost eliminate the pressure on the ears and provide extra noise isolation
 Closed earcup design - The earphones do not let the outside noise through and ensure excellent sound protection. This allows to use them in noisy places, or when you need to concentrate on the game
 Volume control - You will not have to switch to PC controls to adjust the volume level
 Braided fabric cord coat - Prevents the cord mess and prolongs the lifetime of the headphones
 Direct microphone ensures high sound quality - Communicate with your gamemates on a new level!
 Excellent bonus from War Thunder game in each package.

USB headset for PC - Headset with USB interface is more convenient in comparison to analog models. The headset has built-in audio card and does not need any driver installation. Simply connect the headset to USB port of your PC and enjoy the sound
 Closed earcup design - The earphones do not let the outside noise through and ensure excellent sound protection. This allows to use them in noisy places, or when you need to concentrate on the game
 Volume control on the cord - You will not have to switch to PC controls to adjust the volume level
 Mic mute button
 Good noise isolation
 Convenient earcups
 USB interface

 Material of headphones: plastic
 Color: black
 ROHS / CE: Yes
 Warranty period: 6 months

Ideal for PC
 Closed earcup design
 Volume control on the cord
 Good noise isolation
 Convenient earcups
 Adjustable headband
 Flexible microphone provides high quality voice recognition

Connection type: wired
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Type of mounting: headband
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 105 dB
 Sensitivity (microphone): 54 dB
 Frequency response (headphones): 18–20000 Hz
 Frequency response (microphone): 20–16000 Hz
 Cable length: 2 m
 Connectors: 2 x 3.5 mm jack
 Material of headphones: plastic
 Color: blue
 ROHS / CE: Yes
 Warranty period: 6 months

Ideal for PC
 Closed earcup design
 Volume control on the cord
 Good noise isolation
 Convenient earcups

 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 20–20000 Hz
 Cable length: 3 m
 Connectors: 2 x 3.5 mm jack
 Material of headphones: plastic
 Color: black
 ROHS / CE: Yes
 Warranty period: 6 months

Ideal for PC
 Closed earcup design
 Volume control on the cord
 Reliable noise-attenuation
 Adjustable headband
 Convenient earcups made of soft material

Connection type: wired
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Type of mounting: headband
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 105 dB
 Sensitivity (microphone): 54 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 20–16000 Hz
 Cable length: 2 m
 Connectors: 2 x 3.5 mm jack
 Material of headphones: plastic
 Color: black
 ROHS / CE: Yes
 Warranty period: 6 months

Ideal for PC
 Double headband
 Closed earcup design
 Good noise isolation
 Convenient earcups
 Microphone and volume control on the cable
 Movable ear cups

Connection type: wired
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Type of mounting: headband
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 105 dB
 Sensitivity (microphone): 58 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 20–16000 Hz
 Cable length: 1.2 m
 Connectors: 2 x 3.5 mm jack, 4-pin 3.5 mm jack
 Material of headphones: plastic
 Color: black
 ROHS / CE: Yes
 Warranty period: 6 months

For mobile devices, tablets, PCs - The headset for new models of laptops, tablets or smartphones with combined 4-pin headset jack
 Ideal for laptop or netbook
 Microphone and call response button on the cord
 Closed earcup design
 Adapter for PC - It allows to connect the headset to old models of laptops and PCs (models with two separate jacks for earphones and mic)
 Convenient earcups

Connection type: wired
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Type of mounting: headband
 Membrane diameter: 40 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 94 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 50–16000 Hz
 Cable length: 1.2 m
 Connectors: 4-pin 3.5 mm jack
 Material of headphones: plastic
 Color: grey
 ROHS / CE: Yes
 Warranty period: 6 months

For mobile devices, tablets, PCs - The headset for new models of laptops, tablets or smartphones with combined 4-pin headset jack
 Compact foldable construction
 Ideal for laptop or netbook
 Microphone and call response button on the cord
 Closed earcup design
 Convenient earcups
 4-pin 3.5 mm jack
 Adjustable headband - You can adjust the headband to the most convenient length

Connection type: wired
 Type of headphones: in-ear
 Membrane diameter: 10 mm
 Impedance (headphones): 32 Ohm
 Impedance (microphone): 2.2 kOhm
 Sensitivity (headphones): 105 dB
 Sensitivity (microphone): 54 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 20–16000 Hz
 Cable length: 1.2 m
 Connectors: 4-pin 3.5 mm jack
 Material of headphones: plastic
 Color: black + blue
 ROHS / CE: Yes
 Warranty period: 6 months

Ideal for mobile phone - Excellent for everyday use, including crowded and noisy places
 Microphone and call response button on the cord
 Flat cord
 Good noise isolation - Listen to your favourite music or audio books wherever you want and nothing will bother that
 Additional eartips included

4-pin 3.5 mm jack
 Cable with memory effect
 Microphone and call response button on the cord

Connection type: wireless Bluetooth
 Type of headphones: Full-size on-ear
 Type of earcups: closed
 Battery capacity: 500 mA·h
 Type of mounting: headband
 Bluetooth specification: V5.0 + EDR, A2DP, AVRCP, HFP, HSP
 Operating frequency: 2.402–2.480
 Membrane diameter: 40 mm
 Sensitivity (headphones): 118 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 100–16000 Hz
 Operation range: 0–10 m
 Continuous talk / listening period: 10 hrs
 Connectors: Micro-USB for charging
 Material of headphones: plastic
 Color: black
 ROHS / CE: Yes
 Warranty period: 12 months

Wireless Bluetooth headset - Compact foldable construction allows to take the headset with you easily
 LED backlight of headphones
 Built-in microphone - Built-in microphone ensures high sound clarity
 MicroSD card slot - Micro-SD card slot allows to convert the headphones into MP3 player and listen to music without connection to smartphone or laptop
 Built-in FM-receiver
 Controls on earcups - Allow to answer the phone call or to switch tracks without taking the phone out of your pocket
 Audio cable included - When the headset battery is discharged you can connect it via the cable and continue listening to music
 Adjustable headband - You can adjust the headband to the most convenient length

Connection type: wireless Bluetooth
 Bluetooth specification: V5.0 + EDR, A2DP, AVRCP, HFP, HSP
 Operating frequency: 2.402–2.480 GHz
 Membrane diameter: 10 mm
 Sensitivity (headphones): 120 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 100–16000 Hz
 Operation range: 0–10 m
 Continuous talk / listening period: 2 hrs
 Connectors: Apple Lightning
 Color: white
 ROHS / CE: Yes
 Warranty period: 6 months

Wireless Bluetooth headset
 Excellent choice for active lifestyle - The headphones are created with the close attention to auricle anatomy so you don't feel wearing them yet they are fixed reliably in your ears
 Microphone and multifunctional control button are on the earphones
 Storage and charging case is included - Convenient charging case of 600 mAh capacity allows to charge the headphones quickly and protects them when taking with you
 Momentary connection
 Wireless charging support
 Automatic play / pause when in / out of ear - Thanks to special sensors the earphones stop playback when you take one off
 Double tap recognition
 Up to 4 hours of battery operation time
 10 m operation range

Connection type: wireless Bluetooth
 Bluetooth specification: V5.0 + EDR, A2DP, AVRCP, HFP, HSP
 Operating frequency: 2.402–2.480 GHz
 Membrane diameter: 10 mm
 Sensitivity (headphones): 98 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20–20000 Hz
 Frequency response (microphone): 100–16000 Hz
 Operation range: 0–10 m
 Continuous talk / listening period: 2 hrs

 ROHS / CE: Yes
 Warranty period: 3 months

Wireless Bluetooth headset - Portable stereo headset is excellent for sports exercises: it is lightweight, small and keeps reliably on your head
 Microphone and playback controls on the cable - Allow to answer the phone call or to switch tracks without taking the phone out of your pocket
 10 m operation range
 Up to 4 hours of battery operation time
 Ergonomic shape

Connection type: wireless Bluetooth
 Type of headphones: in-ear
 Bluetooth specification: V4.2 + HSP, HFP, A2DP, AVRCP
 Operating frequency: 2.402-2.480 GHz
 Membrane diameter: 10 mm
 Sensitivity (headphones): 90 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20-20000 Hz
 Frequency response (microphone): 20-16000 Hz
 Operation range: 0-10 m
 Continuous talk / listening period: 5 hrs
 Connectors: Micro-USB for charging
 Color: black
 ROHS / CE: Yes
 Warranty period: 6 months

Wireless Bluetooth headset - Portable stereo headset is excellent for sports exercises: it is lightweight, small and keeps reliably on your head
 MicroSD card slot - Micro-SD card slot allows to convert the headphones into MP3 player and listen to music without connection to smartphone or laptop
 Microphone and playback controls on the cable - Allow to answer the phone call or to switch tracks without taking the phone out of your pocket
 Replaceable earpads are included - Three pairs of replacement ear pads of different size (S, M, L) allow to choose the most convenient fit and ensure maximum noise isolation and comfort
 Convenient magnetic mount - Thanks to built-in magnets the headphones can be connected to each other when not in use so they keep on your neck and not be lost
 Metal body

Connection type: wireless Bluetooth
 Type of headphones: in-ear
 Type of earcups: closed
 Bluetooth specification: V5.0 + EDR, A2DP, AVRCP, HFP, HSP
 Operating frequency: 2.402-2.480 GHz
 Membrane diameter: 10 mm
 Sensitivity (headphones): 97 dB
 Sensitivity (microphone): 42 dB
 Frequency response (headphones): 20-20000 Hz
 Frequency response (microphone): 100-16000 Hz
 Operation range: 0-10 m
 Continuous talk / listening period: 2 hrs
 Connectors: Micro-USB for charging
 Material of headphones: plastic
 Color: white
 ROHS / CE: Yes
 Warranty period: 6 months

Wireless Bluetooth headset
 Excellent choice for active lifestyle - The headphones are created with the close attention to auricle anatomy so you don't feel wearing them yet they are fixed reliably in your ears
 Microphone and multifunctional control button are on the earphones
 Storage and charging case is included - Convenient charging case of 600 mAh capacity allows to charge the headphones quickly and protects them when taking with you
 Up to 4 hours of battery operation time
 10 m operation range

Ergonomic mousepad with special gel filled wrist pad
 Removes the strain from the wrist
 Protects from appearance of Carpal tunnel syndrome
 Ergonomic design
 Durable lycra surface

Color: black
 Material: PVC + PU
 Product size (without package): 16.5 x 0.2 x 21.5 cm
 ROHS / CE: Yes
 Warranty period: N/A

Ergonomic mousepad of the Opti-laser series - It is created specifically for optical and laser mice
 Non-slip base - Special material of the base prevents slipping along the table surface
 Light-reflective particles - Ensures precise positioning optical and laser mice sensor rays
 Glittering surface - Prolongs operation time of the wireless mouse battery

Material: PP + sticky base + protective film
 Product size (without package): 19.0 x 0.04 x 24.0 cm
 Assortment: 6 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Ultra slim mousepad - It is created specifically for optical and laser mice
 Antibacterial surface - It prevents adaptation and dissemination of microorganisms. It ensures wear protection and also protection from dirt and smell caused by bacteria, fungus and other microorganisms. The surface properties remain intact for the whole lifetime of the mouse pad
 Accurate mouse ray positioning - It is ensured with the texture of the mouse pad surface
 Sticky base - The mouse pad does not slip along the table surface

Material: PP + metallic coating + sticky base + protective film
 Product size (without package): 18.0 x 0.4 x 22.0 cm
 Assortment: 4 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Sticky base - The mouse pad does not slip along the table surface
 Durable material - It is resistant to mechanical effects
 Ultra slim mousepad - It is created specifically for optical and laser mice
 Patented light-reflecting glittering surface material - Ensures precise positioning optical and laser mice sensor rays

Color: grey + blue
 Material: Microfiber + SBR (butadiene-styrene rubber)
 Product size (without package): 22.5 x 0.16 x 30.0 cm
 Assortment: 2 kinds
 ROHS / CE: Yes
 Warranty period: N/A

3-in-1 - Large microfiber covered mouse pad that can be used for 3 purposes
 Mousepad
 Screen cleaning wipe - Antistatic properties, lint-free
 Protective liner between the screen and the keyboard of the closed notebook - Protects the laptop screen when the laptop is closed

Material: silk+natural rubber
 Product size (without package): 0.16 x 19.0 x 23.0 cm
 Assortment: 10 kinds
 ROHS / CE: Yes
 Warranty period: N/A

The picture is printed on silk
 Special image printing technique - Printed picture plays in the light
 Natural rubber base - The mouse pad does not slip along the table surface

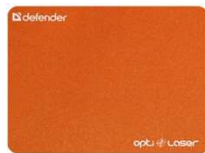

Material: silk+natural rubber
 Product size (without package): 19.0 x 0.16 x 23.0 cm
 Assortment: 10 kinds
 ROHS / CE: Yes
 Warranty period: N/A

The picture is printed on silk
 Special image printing technique - The image is playing at the light
 Silk surface is pleasant to the touch
 Natural rubber base - The mouse pad does not slip along the table surface

Material: PP + PU
 Product size (without package): 18.0 x 0.4 x 22.0 cm
 Assortment: 5 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Ultra slim mousepad - It is created specifically for optical and laser mice
 Sticky base - The mouse pad does not slip along the table surface
 Patented light-reflecting glittering surface material - Ensures precise positioning optical and laser mice sensor rays

Material: PP + sticky base + protective film
 Product size (without package): 19.0 x 0.04 x 22.0 cm
 Assortment: 8 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Ultra slim mousepads are made of extremely durable material
 Sticky base - Allows to fix the pad multiple times on the working surface

Material: PVC + PU
 Product size (without package): 17.5 x 0.12 x 21.0 cm
 Assortment: 10 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Ultra slim ergonomic mouspad - Ensure convenient work with the most mouse models
 Imitation leather base - The mouse pad does not slip along the table surface

Material: rubber + jersey
 Product size (without package): 22.0 x 2.2 x 25.0 cm
 Assortment: 8 kinds
 ROHS / CE: Yes
 Warranty period: N/A

Smooth surface of thin jersey fabric
 Non-slip rubber base
 Optimal for optical and laser mice

Color: blue
Material: PVC + PU
Product size (without package): 16.5 x 2.0 x 21.5 cm
ROHS / CE: Yes
Warranty period: N/A

Ergonomic mousepad of the Opti-laser series - It is created specifically for optical and laser mice
Non-slip base - Special material of the base prevents slipping along the table surface
Light-reflective particles - Ensures precise positioning optical and laser mice sensor rays
Glittering surface - Prolongs operation time of the wireless mouse battery

Connection type: wired
Connection interface: USB
Amount of buttons: 5 + scroll wheel
Sensor type: optical
Resolution: 800/1200/1600 dpi
Color: black
ROHS / CE: Yes
Individual package weight: 0.1 kg
Net weight: 0.07 kg
Product size (without package): 7.4 x 4.1 x 10.8 cm
System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
Warranty period: 6 months

3 mouse resolution modes 800/1200/1600 dpi - The resolution setting button allows to adjust the cursor speed with one touch (800/1200/1600 dpi)
2 thumb buttons
Ergonomic shape - Ensures convenient grip
Extra durable rubberized coating

Connection type: wired
Connection interface: USB
Amount of buttons: 3 + scroll wheel
Sensor type: optical
Resolution: 800/1200/1600 dpi
Color: black
Cable length: 1.5x5m
ROHS / CE: Yes
Individual package weight: 0.1 kg
Net weight: 0.08 kg
Product size (without package): 7.6 x 3.7 x 11.5 cm
System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
Warranty period: 6 months

3 mouse resolution modes 800/1200/1600 dpi - The resolution setting button allows to adjust the cursor speed with one touch (800/1200/1600 dpi)
Ergonomic shape - Ensures convenient grip
Soft Rubber Skin surface coating - The rubberized surface provides firmer grip of the mouse
Symmetrical slim shape is convenient for both hands

Connection type: wired
Connection interface: USB
Amount of buttons: 5 + scroll wheel
Sensor type: optical
Resolution: 1000/1200/1600/2000 dpi
Amount of clicks: 5 millions
Color: red
Cable length: 1.5x5m
ROHS / CE: Yes
Individual package weight: 1.55 kg
Net weight: 0.1 kg
Product size (without package): 7.24 x 4.34 x 11.2 cm
System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
Warranty period: 12 months

Cursor speed control - The resolution setting button allows to adjust the cursor speed with one touch (1000/1200/1600/2000 dpi)
Extremely durable rubberized coating «soft touch» - Special non-slip coating is pleasant to the touch and ensures firm grip
Multifunctional software - Special Defender Quick Point software allows to customize buttons for required application
Enlarged legs ensure smooth and noiseless sliding

Connection type: wired
Connection interface: USB
Amount of buttons: 2 + scroll wheel
Sensor type: optical
Resolution: 1000 dpi
Color: black
Cable length: 1.5x5m
ROHS / CE: Yes
Individual package weight: 0.11 kg
Net weight: 0.07 kg
Product size (without package): 3.7 x 11.0 x 6.5 cm
Warranty period: 12 months

1000 dpi optimal resolution - 1000 dpi resolution is optimal for work on 9-22" screen
Ribbed scroll wheel
Ergonomic shape - Ensures convenient grip
Suitable for long working hours

Connection type: wired
Connection interface: USB
Amount of buttons: 2 + scroll wheel
Sensor type: optical
Resolution: 1000 dpi
Cable length: 1.1x5m
ROHS / CE: Yes
Individual package weight: 0.09 kg
Net weight: 0.06 kg
Product size (without package): 5.95 x 3.8 x 9.93 cm
System requirements for PC: Windows 2000/XP/Vista/7/8/10
Warranty period: 6 months

1000 dpi optimal resolution - 1000 dpi resolution is optimal for work on 9-22" screen
Compact size - Compact size is ideal for small- and medium-size hand
Symmetrical slim shape is convenient for both hands

Connection type: wired
Connection interface: USB
Amount of buttons: 2 + scroll wheel
Sensor type: optical
Resolution: 1000 dpi
Color: black
Cable length: 1.5x5m
ROHS / CE: Yes
Individual package weight: 0.11 kg
Net weight: 0.07 kg
Product size (without package): 6.2 x 3.9 x 10.8 cm
Warranty period: 6 months

1000 dpi optimal resolution - 1000 dpi resolution is optimal for work on 9-22" screen
Silicone scroll wheel
Ribbed scroll wheel
Ergonomic shape - Ensures convenient grip
Suitable for long working hours

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 3 + scroll wheel
 Sensor type: IR laser
 Resolution: 1000/1500/2000 dpi
 Amount of clicks: 5 millions
 Power supply: 1 x AA (included)
 Color: black + red
 ROHS / CE: Yes
 Operation range: 5-10 m
 Individual package weight: 0.15 kg
 Net weight: 0.08 kg
 Product size (without package): 6.0 x 4.1 x 10.0 cm
 Operation frequency: 2.4 GHz
 System requirements for PC: Windows 2000/XP/Vista/7/8/10,
 Mac OS X10
 Warranty period: 12 months

10 m operation range - Long operation range ensures more freedom of movement
 Easy installation. No driver needed
 Cursor speed control - The resolution setting button allows to adjust the cursor speed with one touch (1000/1500/2000 dpi)
 Nano receiver - Tiny nano receiver can be kept in mouse case
 Three-level power saving system - The mouse works longer on one set of batteries. It switches to the energy saving mode (decreased frequency of image processing) if not in use for more than 10 minutes. You can resume the mouse work by moving it or by pressing any button. As a result just one AA battery provides several months of stable operation
 Durable and pleasant to the touch rubberized coating

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 2 + scroll wheel
 Sensor type: IR laser
 Resolution: 800/1200/1600 dpi
 Amount of clicks: 5 millions
 Power supply: 1 x AA (included)
 Color: black
 ROHS / CE: Yes
 Operation range: 0-10 m
 Individual package weight: 0.1 kg
 Net weight: 0.05 kg
 Product size (without package): 5.85 x 3.65 x 10.3 cm
 Operation frequency: 2.4 GHz
 System requirements for PC: Windows 2000/XP/Vista/7/8/10,
 Mac OS X10
 Warranty period: 12 months

Cursor speed control - 1200 dpi on default. To change the resolution press the left and the right buttons at the same time. Press once to set 1600 dpi, press twice to set 800 dpi, three times to set 1200 dpi again
 10 m operation range - Long operation range ensures more freedom of movement
 Intelligent system Energy Master - The mouse is automatically off when PC is shutdown or if receiver is out of USB port
 Nano receiver - Tiny nano receiver can be kept in mouse case

Connection type: wireless
 Amount of buttons: 2 + scroll wheel
 Sensor type: optical
 Resolution: 1600 dpi
 Amount of clicks: 5 millions
 Power supply: 2 x AAA
 Color: black
 ROHS / CE: Yes
 Operation range: 0-10 m
 Individual package weight: 0.07 kg
 System requirements for PC: Windows 2000/XP/Vista/7/8/10,
 Mac OS X10
 Warranty period: 6 months

Durable construction, ambidextrous design - Ambidextrous design allows both right- and left-handers to use this mouse conveniently
 High resolution
 10 m operation range - Long operation range ensures more freedom of movement
 Nano receiver
 Symmetrical slim shape is convenient for both hands

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 4 + scroll wheel
 Sensor type: optical
 Resolution: 1000 dpi
 Power supply: 2 x AA
 Color: black
 ROHS / CE: Yes
 Operation range: 10 m
 Individual package weight: 0.18 kg
 Net weight: 0.01 kg
 Product size (without package): 6.5 x 3.8 x 10.8 cm
 Operation frequency: 2.4 GHz
 Warranty period: 12 months

Extremely durable rubberized coating «Soft touch» - Special non-slip coating is pleasant to the touch and ensures firm grip
 Ergonomic shape - Ensures convenient grip
 10 m operation range - Long operation range ensures more freedom of movement
 Multifunctional software - Defender Quick Point
 1000 dpi optimal resolution - 1000 dpi resolution is optimal for work on 9-22" screen
 Nano receiver

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 3 + scroll wheel
 Sensor type: IR-optical
 Resolution: 1200/1600/2400 dpi
 Power supply: 1 x AA (included)
 Color: black
 ROHS / CE: Yes
 Operation range: 0-15 m
 Individual package weight: 0.22 kg
 Net weight: 0.09 kg
 Product size (without package): 6.48 x 3.68 x 9.9 cm
 Operation frequency: 2.4 GHz
 Average duration of work without recharging / changing batteries: 6-12 months
 System requirements for PC: Windows 2000/XP/Vista/7/8/10,
 Mac OS X10

Intelligent system Energy Master - The mouse is automatically off when PC is shutdown or if receiver is out of USB port
 Nano receiver - Tiny nano receiver can be kept in mouse case
 Cursor speed control
 Multifunctional software - Special Defender Quick Point software allows to customize buttons for required application
 Long operation range - 15 m
 Extremely durable rubberized coating «Soft touch» - Special non-slip coating is pleasant to the touch and ensures firm grip
 Optimal sensitivity

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 3 + scroll wheel
 Sensor type: IR-optical
 Resolution: 1200/1600/2400 dpi
 Power supply: 1 x AA (included)
 Color: red
 ROHS / CE: Yes
 Operation range: 0-15 m
 Individual package weight: 0.22 kg
 Net weight: 0.09 kg
 Product size (without package): 6.48 x 3.68 x 9.9 cm

 Amount of buttons: 5 + scroll wheel
 Sensor type: optical
 Resolution: 800/1200/1600 dpi
 Power supply: 1 x AA (included)
 Color: black
 ROHS / CE: Yes
 Operation range: 0-10 m
 Individual package weight: 0.1 kg
 Net weight: 0.07 kg
 Product size (without package): 3.3 x 10.5 x 7.0 cm
 Average duration of work without recharging / changing batteries: 3-6 months
 System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Warranty period: 6 months

3 mouse resolution modes 800/1200/1600 dpi - The resolution setting button allows to adjust the cursor speed with one touch (800/1200/1600 dpi)
 2 thumb buttons
 Ergonomic shape - Ensures convenient grip
 Extra durable rubberized coating

Connection type: wired
 Connection interface: USB
 Amount of buttons: 2 + scroll wheel
 Sensor type: optical
 Resolution: 1000 dpi
 Color: black
 Cable length: 1.35±5% m
 ROHS / CE: Yes
 Individual package weight: 0.09 kg
 Net weight: 0.05 kg
 Product size (without package): 6.3 x 4.0 x 10.0 cm
 System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Warranty period: 3 months

1000 dpi optimal resolution - 1000 dpi resolution is optimal for work on 9-22" screen
 Ergonomic shape - Ensures convenient grip
 Extra durable rubberized coating

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 2 + scroll wheel
 Sensor type: optical
 Resolution: 1200 dpi
 Power supply: 2 x AAA
 Color: blue
 ROHS / CE: Yes
 Operation range: 0-10 m
 Individual package weight: 0.09 kg
 Net weight: 0.05 kg
 Product size (without package): 6.3 x 4.0 x 10.0 cm
 Average duration of work without recharging / changing batteries: 3-6 months
 System requirements for PC: Windows 2000/XP/Vista/7/8/10, Mac OS X10
 Warranty period: 3 months

1200 dpi high resolution - 1200 dpi resolution is optimal for work on 9-22" screen
 Symmetrical slim shape is convenient for both hands

Connection type: wireless
 Connection interface: USB
 Amount of buttons: 2 + scroll wheel
 Sensor type: optical
 Resolution: 1200 dpi
 Power supply: 2 x AAA
 Color: green

1200 dpi high resolution - 1200 dpi resolution is optimal for work on 9-22" screen
 10 m operation range
 Symmetrical slim shape is convenient for both hands

Purpose: for smartphones
 Rotation: 360°
 Cable holder: no
 Mounting: for the glass, on the dashboard
 Material: plastic + rubber + metal
 Color: black
 Individual package weight: 0.09 kg
 Individual package size: 6.5 x 11.7 x 9.0 cm
 Net weight: 0.06 kg
 Product size (without package): 9.5 x 8.2 x 6.0 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Reliable fixation on the windshield and dashboard even with textured surface thanks to creation of vacuum effect by suction cup
 Reliable fixation on the windshield and dashboard even with smooth surface thanks to creation of vacuum effect by suction cup
 Compact, convenient in use
 Suitable for phones, smartphones, navigators
 Allows to rotate fixed device at 360°
 The holder ensures convenient use of mobile devices
 Easy access to connectors
 Convenient to use for smartphone in a case
 Easy to install/remove the mobile device
 Metal plates to hold a smartphone are included

Purpose: for smartphones
 Adjustable distance between clamps: 50-90 mm
 Rotation: 360°
 Mounting: for the glass, on the dashboard
 Material: plastic
 Color: black
 Individual package weight: 0.12 kg
 Individual package size: 7.5 x 9.0 x 8.5 cm
 Net weight: 0.09 kg
 Product size (without package): 6.8 x 11.0 x 7.2 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Compact size
 Reliable fixation on the windshield and dashboard even with textured surface thanks to creation of vacuum effect by suction cup
 Reliable fixation on virtually any surface
 Suitable for phones, smartphones, navigators
 Soft side clips
 Rotates 360° and can be fixed in any position
 Easy access to connectors - Does not prevent convenient use of the device
 Clean thoroughly the surface on which the stand will be fixed
 Remove the protective material from the holder suction cup
 Open the tab on the suction cup holder, pressing the suction cup firmly to the mounting location press the lever until it stops
 Connect the slot of the holder with the stand until they click
 Fixate the slot with the ring

Purpose: for smartphones
 Adjustable distance between clamps: 55-90 mm
 Rotation: 360°
 Mounting: for the glass, on the dashboard
 Material: plastic
 Color: black
 Individual package weight: 0.1 kg
 Individual package size: 7.9 x 6.6 x 11.0 cm
 Net weight: 0.08 kg
 Product size (without package): 10.0 x 10.0 x 6.8 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Easy to adjust the position of the device vertically
 Anti-glare matte finishing
 Rubberized surface of the holder
 Compact size
 Rotates 360° and can be fixed in any position
 Reliable fixation on the windshield and dashboard even with textured surface thanks to creation of vacuum effect by suction cup
 Suitable for phones, smartphones, navigators
 Easy access to connectors

Purpose: for smartphones
 Adjustable distance between clamps: 55-90 mm
 Rotation: 360°
 Cable holder: no
 Mounting: on air vent grill
 Material: plastic + rubber + metal
 Color: black + grey
 Individual package weight: 0.03 kg
 Individual package size: 3.2 x 10.1 x 5.7 cm
 Net weight: 0.02 kg
 Product size (without package): 2.3 x 4.5 x 6.7 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Suitable for phones, smartphones, navigators
 Reliable mount on air vent grill
 Rubberized surface of the holder
 Does not damage the air vent grill even if you fix the holder on and off frequently
 Rotates 360° and can be fixed in any position
 Thanks to its compact size the holder is convenient to take with you or to move and use it in another car
 Can be used as a stand - Easily convertible into a convenient stand for smartphone
 Easy access to connectors
 Convenient to use for smartphone in a case
 Holds the devices of up to 0.5 kg

Purpose: for smartphones
 Rotation: 360°
 Mounting: on air vent grill
 Material: plastic + rubber + metal
 Color: black
 Individual package weight: 0.06 kg
 Individual package size: 6.5 x 4.0 x 7.5 cm
 Net weight: 0.04 kg
 Product size (without package): 5.5 x 6.5 x 3.8 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Reliable mount on air vent grille of any type thanks to adjustable fixing mechanism
 Thanks to its compact size the holder is convenient to take with you or to move and use it in another car
 Can be used as a stand - Easy to transform into the convenient stand with different viewing angles for more convenient typing or watching video
 Easy to install/remove the mobile device
 Does not damage the air vent grill even if you fix the holder on and off frequently
 Rotates 360° and can be fixed in any position
 Suitable for all types of smartphones
 Metal plates to hold a smartphone are included
 Place the holder onto an air vent grille so that one slot of the grill is between the rubberized legs of the fixing mechanism
 Remove the protective material from the thin metal disk and fix it to the back side of the device

Purpose: for smartphones
 Rotation: 360°
 Cable holder: no
 Mounting: on air vent grill
 Material: plastic + rubber + metal
 Color: black
 Individual package weight: 0.06 kg
 Individual package size: 5.0 x 11.0 x 8.0 cm
 Net weight: 0.03 kg
 Product size (without package): 4.0 x 5.0 x 3.5 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Reliable mount on air vent grill
 Suitable for phones, smartphones, navigators
 Compact, convenient in use
 Thanks to its compact size the holder is convenient to take with you or to move and use it in another car
 Easily convertible into a table stand for smartphone
 Allows to rotate fixed device at 360°
 Does not damage the air vent grill even if you fix the holder on and off frequently
 Easy to install/remove the mobile device
 Holds the devices of up to 0.5 kg
 Metal plates to hold a smartphone are included

For devices with diagonal of: до 10.1"
 Purpose: for tablets
 Adjustable distance between clamps: 110–220 mm
 Rotation: 360°
 Cable holder: no
 Material: plastic
 Color: black
 Individual package weight: 0.31 kg
 Individual package size: 18.5 x 9.0 x 15.5 cm
 Net weight: 0.23 kg
 Product size (without package): 21.0 x 12.0 x 16.0 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Suitable for tablet PCs, navigators, e-books, and other devices
 Reliable fixation on the driver or passenger seat head restraint. It allows full use of all functions of the device
 The slope angle of the device can be adjusted and fixed rigidly
 Holds the devices of up to 1 kg
 Soft side clips
 Does not damage the device
 You can easily fix or remove the stand without tools
 The holder ensures convenient use of mobile devices

For devices with diagonal of: <7"
 Purpose: for smartphones
 Adjustable distance between clamps: 55–120 mm
 Rotation: 360°
 Cable holder: no
 Mounting: for the glass, on the dashboard
 Material: plastic
 Color: black
 Weight: 121 g
 Package weight: 160 g
 Package dimensions: 8.0 x 8.5 x 13.0 cm
 Individual package weight: 0.21 kg
 Individual package size: 8.5 x 13.0 x 8.0 cm
 Net weight: 0.16 kg
 Product size (without package): 6.0 x 13.0 x 6.0 cm
 ROHS / CE: Yes
 Warranty period: 6 months

Suitable for phones, smartphones, navigators
 Rotates 360° and can be fixed in any position
 Photo frame on the back of the holder
 Easy access to connectors - Does not prevent convenient use of the device
 Reliable fixation on the windshield and dashboard even with textured surface thanks to creation of vacuum effect by suction cup
 Suction cup is equipped with an additional layer of silicone-similar polymer material (PVC), which allows the holder to fix items securely, even items exceeding the weight of the stand at a negative angle
 No adhesives
 Soft side clips
 Does not damage the device
 You can easily fix or remove the stand without tools
 The slope angle of the device can be adjusted and fixed rigidly
 Holds the devices of up to 1 kg
 The holder ensures convenient use of mobile devices

For devices with diagonal of: <7"
 Purpose: for smartphones

 Housing material: plastic
 Product size (without package): 9.0 x 9.4 x 21.0 cm
 Individual package size: 9.5 x 10.0 x 22.0 cm
 Warranty period: 3 months
 Color: grey
 ROHS / CE: Yes

Bluetooth 5.0
 Built-in FM-receiver - Built-in FM tuner allows to use the speaker as a full function radio player, so you can always listen to your favourite broadcasts
 USB flash drives and MicroSD card support - MicroSD card slot and USB port allow playback of MP3 files. Just insert the memory storage and enjoy music!
 Additional audio-in AUX port - AUX-in and 3.5 mm to 3.5 mm jack cable allow to connect the speakers to PC, player or mobile phone and use as a powerful loudspeaker
 Hands free function - Answer the phone calls and talk without coming up to the phone itself. Built-in microphone allows to use this speaker as a speakerphone
 True Wireless Stereo (TWS) - an option to pair two separate speakers into one 2.0 speaker system
 Prolonged battery operation period
 Built-in side passive drivers - Enhance sound quality and bass reproduction, deepen the sound

Total output power (RMS): 20 W
 Satellite driver size: 2x3 "
 Frequency range: 40-20000 Hz
 Signal to noise ratio: 90 dB
 Operation time on one battery charge: 6 hrs
 Interface: 3.5 mm mini-jack
 Wireless connection: Bluetooth 5.0
 Power supply: via USB, 5V, Li-Ion battery
 USB charging: yes
 Battery capacity: 3000 mA-h
 Tuner frequency range: 87.5-108.0 MHz
 MicroSD card support: yes
 USB flash drive support: yes
 Housing material: Plastic
 Product size (without package): 11.5 x 12.0 x 29.7 cm
 Individual package size: 12.8 x 12.8 x 30.6 cm
 Warranty period: 3 months
 Color: black
 ROHS / CE: Yes

Bluetooth 5.0

 Prolonged battery operation period
 Built-in side passive drivers - Enhance sound quality and bass reproduction, deepen the sound

Total output power (RMS): 50 W
 Satellite driver size: 2x1.5" + 2x5"
 Frequency range: 45-22000 Hz
 Signal to noise ratio: 85 dB
 Operation time on one battery charge: 4 hrs
 Interface: 3.5 mm mini-jack
 Wireless connection: Bluetooth 5.0
 Display: LED
 Backlight: LED
 Power supply: via USB, 5V, Li-Ion battery
 USB charging: yes
 Battery capacity: 4000 mA-h
 Built-in FM-tuner: yes
 MicroSD card support: yes
 USB flash drive support: yes
 Housing material: plastic
 Product size (without package): 24.0 x 24.0 x 47.0 cm
 Individual package size: 28.7 x 28.5 x 52.5 cm
 Warranty period: 6 months
 Color: black
 ROHS / CE: Yes

Bluetooth 5.0
 LED backlight
 Wireless remote control
 True Wireless Stereo (TWS) - an option to pair two separate speakers into one 2.0 speaker system
 Built-in FM-receiver - Built-in FM tuner allows to use the speaker as a full function radio player, so you can always listen to your favourite broadcasts
 USB flash drives and MicroSD card support - MicroSD card slot and USB port allow playback of MP3 files. Just insert the memory storage and enjoy music!
 Microphone jack - Karaoke mode - microphone in-port with volume adjustment and echo-effect
 Additional audio-in AUX port - AUX-in and 3.5 mm to 3.5 mm jack cable allow to connect the speakers to PC, player or mobile phone and use as a powerful loudspeaker
 Convenient handle to take the device with you easily
 Prolonged battery operation period
 An option to place the speaker vertically or horizontally on the surface

Total output power (RMS): 20 W
 Satellite driver size: 45mm x 2
 Frequency range: 60-20000 Hz
 Signal to noise ratio: 85 dB
 Operation time on one battery charge: 4 hrs
 Interface: 3.5 mm mini-jack, Bluetooth
 Wireless connection: Bluetooth 4.2
 Backlight: LED
 Backlight colors amount: 7
 Power supply: via USB, 5V, Li-Ion battery
 USB charging: yes
 Battery capacity: 2200 mA-h
 Product size (without package): 7.7 x 7.5 x 17.75 cm
 Individual package size: 11.6 x 8.8 x 19.63 cm
 Warranty period: 6 months
 Color: black
 ROHS / CE: Yes

Powerful bass
 Bluetooth 4.2
 LED backlight
 Hands free function
 Additional audio-in AUX port
 Prolonged battery operation period
 Rubber feet prevent slipping along the table surface
 Built-in passive driver on the back side - Enhances sound quality and bass reproduction, deepens the sound

Total output power (RMS): 20 W
 Satellite driver size: 45mm x 2
 Frequency range: 60-20000 Hz
 Signal to noise ratio: 85 dB

Tiny speakers for laptop
 USB powered - The speakers does not require AC mains power supply. Simply connect them to the USB port of PC and enjoy the sound. This model is not equipped with an integrated sound card, so you will need to connect them to the audio-out port of PC as well
 Compact size - Fits a laptop bag easily

Total output power (RMS): 4 W
 Satellite wattage (RMS): 2x2 W
 Driver size: 2x2 "
 Frequency range: 100-18000 Hz
 Interface: 3.5 mm jack
 Housing material: MDF
 Power supply: via USB, 5V
 Cable length: 1.2 m
 Color: black
 Product size (without package): 8.3 x 8.5 x 15.0 cm
 Individual package weight: 0.45 kg
 Net weight: 0.38 kg
 Warranty period: 6 months
 ROHS / CE: Yes

Wooden enclosure
 USB powered
 Volume control

Total output power (RMS): 6 W
 Satellite wattage (RMS): 2x3 W
 Driver size: 2x2 "
 Frequency range: 100-18000 Hz
 Interface: 3.5 mm jack
 Housing material: MDF
 Power supply: via USB, 5V
 Maximum distance between satellites: 0.52 m
 Cable length: 1 m
 Color: black
 Product size (without package): 9.5 x 14.6 x 15.0 cm
 Individual package weight: 0.63 kg
 Net weight: 0.53 kg
 Warranty period: 6 months
 ROHS / CE: Yes

Volume control
 Wooden enclosure
 USB powered

Total output power (RMS): 5 W
 Satellite wattage (RMS): 2x2.5 W
 Driver size: 2x2 "
 Frequency range: 100-20000 Hz
 Interface: 3.5 mm jack
 Housing material: Plastic
 Controls: overall volume
 Power supply: via USB, 5V
 Maximum distance between satellites: 0.82 m
 Cable length: 1.02 m
 Color: black + orange
 Product size (without package): 6.7 x 7.1 x 14.2 cm
 Individual package weight: 0.24 kg
 Net weight: 0.12 kg
 Warranty period: 3 months
 ROHS / CE: Yes

Compact size - Fits a laptop bag easily
 Volume control on the cord - You will not have to switch to PC controls to adjust the volume level
 USB powered - No additional power supply unit needed

Total output power (RMS): 5 W
 Satellite wattage (RMS): 2x2.5 W
 Driver size: 2x2 "
 Frequency range: 100-20000 Hz
 Interface: 3.5 mm jack
 Housing material: Plastic
 Controls: overall volume
 Cable length: 0.9 m

 Controls: overall volume
 Power supply: via USB, 5V
 Maximum distance between satellites: 1 m
 Cable length: 1.1 m
 Color: black
 Product size (without package): 8.0 x 12.3 x 14.4 cm
 Individual package weight: 0.52 kg
 Net weight: 0.44 kg
 Warranty period: 6 months
 ROHS / CE: Yes

Compact size
 LED backlight
 Volume control on the cord
 Rubber feet prevent slipping along the table surface
 USB powered

Total output power (RMS): 8 W
 Satellite wattage (RMS): 2x4 W
 Driver size: 2x2.5"
 Headphone jack: yes
 Frequency range: 80-20000 Hz
 Signal to noise ratio: 85 dB
 Interface: 3.5 mm jack
 Housing material: Plastic
 Controls: overall volume
 Power supply: via USB, 5V
 Maximum distance between satellites: 0,87 m
 Cable length: 1,25 m
 Color: black
 Product size (without package): 10.0 x 18.0 x 16.5 cm
 Individual package weight: 0.98 kg
 Net weight: 0.78 kg
 Warranty period: 6 months
 ROHS / CE: Yes
 Satellite dimensions: 2x W80xH180xL100 mm

Perfectly blend in modern interior
 LED backlight
 Volume control - You will not have to switch to PC controls to adjust the volume level
 Headphone jack - You can connect headphones directly to the speaker that is usually more convenient then connecting them to the PC itself. The volume level can be adjusted with the volume control on the speaker
 USB powered
 Power on/off switch

Total output power (RMS): 8 W
 Satellite wattage (RMS): 2x4 W
 Driver size: 2x2.5"
 Headphone jack: yes
 Frequency range: 80-20000 Hz
 Signal to noise ratio: 85 dB
 Interface: 3.5 mm jack
 Controls: overall volume
 Wireless connection: Bluetooth 4.2
 Power supply: via USB, 5V
 Maximum distance between satellites: 0,87 m
 Cable length: 1,25 m
 Color: black
 Product size (without package): 10.0 x 18.0 x 16.2 cm
 Individual package weight: 1.0 kg
 Net weight: 0.8 kg
 Warranty period: 6 months
 ROHS / CE: Yes
 Satellite dimensions: 2x W80xH180xL100 mm

Bluetooth 4.2
 LED backlight
 Touch-controls - Touch the top side of the left satellite to control the LED backlight (on/off), right satellite for the sound source control (Bluetooth / AUX)
 Headphone jack
 Volume control - You will not have to switch to PC controls to adjust the volume level
 USB powered

Total output power (RMS): 11 W
 Satellite wattage (RMS): 2X3 W
 Subwoofer wattage (RMS): 5 W
 Satellite driver size: 2"
 Subwoofer driver size: 3"
 Frequency range: 40-18000 Hz
 Subwoofer frequency response: 40-200 Hz
 Satellite frequency response: 200-18000 Hz
 Power supply: via USB, 5V
 Interface: 3.5 mm jack
 Subwoofer enclosure material: Plastic
 Satellite enclosure material: Plastic
 Product size (without package): 13.6 x 15.6 x 23.4 cm
 Individual package size: 11.5 x 16.0 x 21.5 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact size - The speaker system takes up minimal working space
 LED backlight of volume control
 Volume, bass and treble controls - There is no need to switch to your media player to adjust volume, bass or treble

Total output power (RMS): 11 W
 Satellite wattage (RMS): 2x3 W
 Subwoofer wattage (RMS): 5 W
 Satellite driver size: 2"
 Subwoofer driver size: 3"
 Frequency range: 50-20000 Hz
 Subwoofer frequency response: 50-200 Hz
 Satellite frequency response: 200-20000 Hz
 Power supply: via USB, 5V
 Cable length: 1 m
 Interface: 3.5 mm jack
 Subwoofer enclosure material: Plastic
 Maximum distance between satellites: 1,35 m
 Satellite enclosure material: Plastic
 Product size (without package): 13.0 x 10.0 x 25.1 cm
 Individual package size: 14.5 x 10.8 x 20.0 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Compact size - The speaker system takes up minimal working space
 USB powered
 Volume and bass controls - You won't need to switch to your media player to adjust volume or bass performance
 Power indicator
 Phase inverter on the back panel

Total output power (RMS): 11 W
 Satellite wattage (RMS): 2x3 W
 Subwoofer wattage (RMS): 5 W
 Satellite driver size: 2x2"
 Subwoofer driver size: 3"
 Frequency range: 45-18000 Hz
 Subwoofer frequency response: 45-200 Hz
 Satellite frequency response: 200-18000 Hz
 Power supply: via USB, 5V
 Built-in FM-tuner: yes
 Tuner frequency range: 87.5-108.0 MHz
 MicroSD card support: yes
 USB flash drive support: yes
 Interface: 3.5 mm jack
 Wireless connection: Bluetooth 5.0
 Subwoofer enclosure material: Plastic
 Satellite enclosure material: Plastic
 Product size (without package): 16.5 x 13.3 x 34.0 cm
 Individual package size: 27.0 x 17.5 x 13.5 cm
 Warranty period: 6 months
 ROHS / CE: Yes

Bluetooth 5.0
 LED backlight
 USB flash drives and MicroSD card support - MicroSD card slot and USB port allow playback of MP3 files. Just insert the memory storage and enjoy music!
 Built-in MP3 player
 Built-in FM-receiver - Built-in FM tuner allows to use the speaker as a full function radio player, so you can always listen to your favourite broadcasts
